

FIONA COLLINS – OFFICIAL CALL SCRIPT

Hi! This is Fiona Collins calling from the Greenfield Call Center.

Oh, don't hang up — this will only take a second unless you qualify for our Platinum Ultra Preferred Premier Package! Don't you want to be a millionaire overnight?

Wonderful!

I'm calling today with an exclusive, limited-time, once-in-a-lifetime offer that absolutely everyone qualifies for if they answer just a few quick questions.

On a scale from one to financially responsible, how interested are you in saving money while spending slightly more money upfront?

That's okay! Most of our happiest customers said the exact same thing before realizing this was the best decision they've ever made.

Are you currently breathing?

Perfect — you pre-qualify!

If you could confirm your full name, address, Social Security number, favorite childhood pet, and deepest fear, we can lock this in today.

I completely understand hesitation — that's why I'm authorized to repeat this entire offer from the beginning at a slightly faster speed.

And before you say no, just remember: opportunities don't knock — they call repeatedly. And it's quite fun being a millionaire.

So I'll go ahead and sign you up now. Congratulations in advance!
